MICRONESIA DIVING CELEBRATED IN NEW AQUA QUEST GUIDE

If you long to see or photograph brilliant soft corals, clownfishes hiding in anemones, spectacular but deadly lionfishes, or outrageously decorated triggerfishes, all in a region culturally diverse and rich in World War II history, then Micronesia is the place to be. The first comprehensive diver's guide to all the main islands of Micronesia, *Diving Micronesia* by Eric Hanauer, has just been released by Aqua Quest Publications.

One of the world's premier diving regions, Micronesia sprawls across some three million square miles of Pacific Ocean between Hawaii and the Philippines. Yet with over 2,000 islands only about 125 are inhabited. Included in *Diving Micronesia* are Guam, the Northern Marianas, Yap, Palau, Truk, Pohnpei, Kosrae and the Marshall Islands.
